Portfolio: www.cristeacristian.com

PROFESSIONAL SUMMARY

Software Developer with 3+ years of experience developing and modernizing enterprise applications using JavaScript, Servoy, and SQL databases, complemented by nearly 9 years in network performance engineering at Nokia. Experienced in frontend development, complex data-driven interfaces, debugging, and legacy application migration. Currently strengthening React and TypeScript expertise, with a focus on modern frontend development opportunities across Europe.

TECHNICAL SKILLS

Frontend: JavaScript (ES6+), TypeScript, React, HTML5, CSS3, Servoy NG1/NG2, Responsive UI

Backend & Databases: Node.js, Express.js, SQL, PostgreSQL, MySQL, Microsoft SQL Server, PHP

Tools & Practices: Git, GitHub, Docker, REST APIs, Debugging, UI Modernization, Application Maintenance

PROFESSIONAL EXPERIENCE

Software Developer | Servoy Romania

June 2023 – Present

- **Develop and maintain enterprise applications using JavaScript, Servoy, and relational databases.**
- **Contribute to the migration from Servoy NG1 to NG2, modernizing interfaces and improving compatibility.**

- **Implement interactive data grids with sorting, filtering, grouping, editable cells, and event-driven functionality.**
- **Investigate and resolve frontend, business logic, data validation, and database-related issues.**
- **Improve application usability, maintainability, and workflows while collaborating with development teams.**

Technologies: JavaScript, Servoy, SQL, HTML, CSS, Git

Network Performance Engineer | Nokia

August 2014 – June 2023

- **Analyzed mobile network performance metrics and investigated technical issues.**
- **Supported troubleshooting, performance optimization, and operational improvements.**
- **Collaborated with technical teams and developed strong analytical and problem-solving skills.**

EDUCATION

Master's Degree in Software Engineering
West University of Timișoara, Romania

Bachelor's Degree in Mathematics and Computer Science
West University of Timișoara, Romania | 2010–2014
